Administration Committee
Regional Council

FROM: Barbara Dove, Government & Public Affairs, 213 236-1861, dove@scag.ca.gov

SUBJECT: Approve the 2008 Leadership Academy Program

EXECUTIVE DIRECTOR'S APPROVAL:

RECOMMENDED ACTION:

Approve the 2008 Leadership Academy Program.

BACKGROUND:

Last year's inaugural Leadership Academy has been acknowledged by its participants as a great success. A significant part of the success is attributed to the excellence of the consultant team who delivered the program to our members. Last year's consultant selection process included issuing a widely circulated RFP which resulted in ten proposals being received. The Proposal Review Committee (PRC) evaluated the nine responsive proposals and then held interviews with the three top-rated offerors. The PRC was comprised of three elected officials who serve on the Membership & Communication Subcommittee and the Regional Council plus two SCAG staff. USC was recommended for the contract award because of their team's unique strength and creativity as well as the depth and breadth of their facilitators and trainers. Their approach of using interactive seminars designed for skill building and development of management and leadership processes is most impressive. The USC team also has extensive experience in working with leaders of today and tomorrow, including elected officials.

After completing such a rigorous competitive process, USC was selected to provide the leadership development and training for our elected officials. To continue the momentum and build on the positive experiences of this first year effort; the program participants, the Membership & Communication Subcommittee, and SCAG staff all support continuing the second year of the program with the same team leader, Rich Callahan, and his colleagues. The FY 2007-2008 General Fund includes \$50,000 for training and developing Board leadership, the same amount as last year.

FISCAL IMPACT:

Funds for this activity are in the current approved General Fund budget.
